Kidleidoscope Kids – This series of programs are for the younger crowd! Designed for pre-school age children and a parent or caregiver, these programs introduce a nature topic to the young through stories, activities and crafts. Each week we will explore a different topic. Meet at the Visitor Center.

Family Bike Ride – Join the Park Interpreter for a guided bike ride that is great for the whole family. We will be stopping along the way to check out some of the plants and animals of Wompatuck State Park. Meet at the Transfer Station.

Kids' Nature Exploration – Come along for a fun and educational hike exploring the diverse world of nature. Use field guides, nets, and hand lenses to learn how to identify many of the plants, animals and insects of the area and what you can do to help keep them here. Great for children 6-12 years old. Meet at the Visitor Center.

Junior Ranger Program – Come by the Visitor Center to learn how to become an official Massachusetts Junior Ranger! You will receive your Massachusetts Junior Ranger Activity Guide and take part in some fun activities with the Park Interpreter. Finish the requirements at home, here at Wompatuck State Park or at another State Park and you will be awarded with an official Massachusetts Junior Ranger patch and certificate!

Family Campfire – Join the Interpreter for a fun family campfire. We will roast marshmallows, tell stories, play games, and enjoy a crackling campfire. Meet at the Campground Entrance.

Night Walk – No flashlights allowed on this exciting walk through the woods at night! Come discover your senses! We will be going on a short walk through the woods at Wompatuck and stopping along the way to see how animals of the night survive. There will be fun activities to test all of your senses. Meet at the Visitor Center.
